# Fees & Funding Information (England)

**Pay Nothing Up Front:** most EMD Beauty learners fund their programme of learning with an **Advanced Learner Loan**.

Loan eligibility does not depend on your income and there are no credit checks.

Your Advanced Learner Loan will cover all tuition fee costs: Student Finance England pay your fees directly to EMD UK CIC for you.

## Repaying your Advanced Learner Loan

You won't pay back a penny until you're earning over £27,295. You'll only repay when your income is over £524 a week or £2,274 a month (before tax and other deductions).

The amount you repay is tied to how much you earn. For example, if you earn £28,800 you'll pay just £11 per month.

## Number of Loans

You are entitled to apply for up to 4 Advanced Learner Loans and you are able to have more than 1 loan at the same time.

## Am I Eligible?

To qualify for Advanced Learner Loan funding, you must:

- be aged 19 or over on the first day of your course
- hold the right to live and work in the UK if not a UK National
- have been living in the UK for more than 3 years on the first day of your course.

Further eligibility details can be discussed with EMD Beauty staff if required.

**How we work out the cost:** Prices are as listed by HM Government (via the Education and Skills Funding Agency) on the Learning Aims Reference Service (LARS).
